Last Updated: 2025-XX-XX

1. Legal Identity

NOORCHAIN Foundation

Non-profit association under Articles 60–79 of the Swiss Civil Code.

Headquarters: Switzerland.

Mission: Stewardship of the NOORCHAIN blockchain ecosystem, the PoSS model, and public-good digital infrastructure.

The Foundation is **not** a bank, financial intermediary, PSP, or investment provider.

2. Intellectual Property

All NOORCHAIN branding elements, documentation, and publications are the property of:

NOORCHAIN Foundation

Software components are open-source under their respective repository licenses.

The name **NOORCHAIN** and associated visual identity are protected.

Unauthorized reproduction, alteration, or misuse is prohibited.

3. Non-Custodial Disclaimer

NOORCHAIN is fully **non-custodial**.

The Foundation does **not**:

- hold user funds
- manage user wallets
- store private keys
- recover lost access
- process transactions on behalf of users

Users remain fully responsible for their own wallets and digital assets.

4. No Investment Advice

Nothing in NOORCHAIN's:

- website

- documentation
- GitHub repositories
- communication channels

should be interpreted as financial advice or investment recommendation.

NOORCHAIN does **not** solicit investment, speculation, or token-based financing.

5. No Guaranteed Returns

The NUR token does **not** provide:

- interest
- dividends
- yield
- financial return
- economic promise

PoSS rewards are protocol-based, non-financial, limited, and tied exclusively to validated social actions.

They are **not** designed or presented as a financial product.

6. No PSP Services & No Fiat Conversion

The Foundation does **not** operate:

- payment services
- money transfers
- crypto-fiat conversion
- exchange platforms

Any conversion between NUR and fiat must occur through **regulated external PSPs**.

NOORCHAIN does **not** endorse, guarantee, or operate those services and has no access to user data managed by third parties.

7. Open-Source Software Risks

NOORCHAIN software is provided **as-is**, without warranty of any kind.

The Foundation is not liable for:

- bugs or vulnerabilities
- misuse of software
- node or network failures
- losses resulting from third-party tools or integrations

Users must independently evaluate technical risks.

8. Data Protection

The Foundation does **not** collect:

- private keys
- wallet contents
- financial information
- PoSS activity logs

Minimal metadata may be collected for:

- website analytics (non-identifying)
- basic communication needs
- partner interactions

Data handled by external PSPs or partners follows their own privacy policies.

9. External Links Disclaimer

NOORCHAIN documentation and website may contain links to external resources.

The Foundation is **not responsible** for:

- accuracy
- content
- reliability
- security

of any external websites.

Users access third-party links at their own risk.

10. Regulatory Evolution

Regulations may evolve.

The Foundation may update:

- legal notices
- disclaimers
- governance rules
- compliance frameworks

to ensure continued conformity with **Swiss Legal Light CH** standards.

Users and partners should consult updates periodically.
